100% Solution Bike Ride For Life April 17,18, 2010

14th Annual

Thirteen years ago 2 men began training for a ride that would change their lives. The 100% Solution Bike Ride for Life has continued to change the lives of the riders and volunteers of the event, and most importantly the people in our community living with HIV/AIDS that need assistance. Together we can make a difference. Join us and be a part of the 100% Solution.
