**Dear**

**On behalf of the bikers, the support team, and my fellow board members, I wish to thank you for your recent, generous donation of \$ \_\_\_\_\_ to the 14th Annual Tuesday's Angels 100% Solution Bike Ride For Life. Thus far a total of over \$900,000 has been raised during the past 13 years. For further information on the bike ride please visit our riders on their website: <http://www.IOOSolution.com>**

**Tuesday's Angels is a non-profit organization that provides funding on an emergency basis to men, women and children who have HIV/AIDS. All dollars received (100%) by the organization go to clients who have little or no income and are often unable to work. The organization has paid for a variety of living expenses incurred by its clients such as utility bills, rental assistance, transportation, eyeglasses, and cremation expenses. Upon proper documentation, assistance is often given the same day.**
